**Subject:** RE: Anticipated TBA Projects for FY20

An estimated cost for each project and/or the tasks to be assigned (Phase I/II, ABCA, etc.) would be helpful.

Good morning State and Tribal Coordinators,

The Region's TBA funding request is due to HQ early next week. Please coordinate with your state/tribal contacts on providing a list of anticipated TBA projects for FY20 by COB Tuesday, Nov. 12<sup>th</sup> if possible. I know this is a short turnaround, but if you are aware of your communities potentially coming in for funding that would be helpful in Brad and I drafting Region 7's request. Please let me know if you have any questions.

- MDNR (6-10 projects)
- Maquoketa, IA
- KCMO
- Haskell University
- Flexsteel
- Monett
- Pine Lawn
- St. Louis WE Building
